BRIEF ABSTRACT OF LETTER.

Forwards for disposal a letter from mr Palpu dated 10/3 March 1916 claiming Compensation for certain pecuniary losses incurred by him during his deputation to the Baroda State and requesting as an alternative, a reference being made to that state for needful action

In September 1915 mr Palpu Specifically appealed against the order of the Secretary to the Mysore State Life Insurance Committee relating to the payment of his premia and incidentally referred as a ground of appeal to certain omissions in the information furnished to the Baroda State about the appointments he held,

the easement be enjoyed and the pay and allowances he was drawing prior to his deputa to that State.

2) This appeal received the full consideration of the Government and orders were passed in January 1916 declining to comply with his request

3) In his present letter dated 6/12 March 1916 under disposal Mr Palpu alludes to the omissions referred to above, and seeks compensation either from this Government or from the Baroda Government on the assumption that ~~through~~ his services in the latter state though appreciated were not as adequately remunerated for, as they would have been, if full information relating to his appointment, pay etc had been furnished to them.

4) Manifestly there does not seem to be any justifiable ground to seek redress here for foreign service. It is a point for consideration whether at this distance of time, his case should be referred to the Baroda State.

5) Mr Palpu states that his emoluments in this State were not properly intimated to the Baroda Durbar and that in consequence he suffered loss. He now seeks compensation therefor. This seems to be a matter for the Sovereign State

allowed to him, Govt in their order dated 6-14 ~~6~~ 24th October 1914 directed that the appointments of Mr. Dalton as Supdt of the B. C. Jail be regarded as Sub protem from 1st July 1914. Under this order Mr. Dalton could draw the full pay of the appointment viz ~~Rs~~ 700 from 1st July 1914.

Regn 8) 22.8.16. From the note above it is clear that the letter to the Baroda Durbar about his pay was sent before the order increasing his pay was sanctioned. It seems now too late to write to the Baroda Durbar in the matter. If approved, Mr Dalton will be informed that as the communication to the Baroda Durbar about his pay was made prior to the order increasing his pay, Govt cannot do anything more in the matter now.

He brought this fact to the notice of the Mysore Govt on Sept 6/15 & had his Emoluments been correctly intimated to the Baroda Durbar he would have been in a position to claim his proper dues from that Durbar. It is now too late to address the Baroda Durbar on the subject. Mr Palpu is the real sufferer - His claim for Compensation is worthy of favourable Consideration - The exact amount of his loss in pay & other Emoluments is not stated - If approved, the views of the Financial Secretary on the subject may be obtained.

11) In his representation dated 13th March 1915, Mr. Palpu states that the following matters were not represented by the Mysore Government to the Baroda Durbar.

(i) That in addition to the charge of the Central Jail, he held also the charge of the Vaccine Institute for which he was legitimately entitled to an additional pay of 400 or 500 rupees per mensem.

(ii) That the salary fixed for him for being

Serial No.

in charge of the Jail was Rs.700/- (not Rs.600/- as erroneously communicated) although he had greater claims than his predecessor for a pay of at least Rs.900/- which he was drawing.

(iii) That he was provided with a Government bungalow free of rent and certain other conveniences which were equivalent to an additional remuneration of at least Rs.250/- a month.

2. The claim in item No.1 is a mere assumption without any foundation and no attention can be paid to it.

3. As regards item No.2, it is clear from the office notes that there was no erroneous representation at all as regards his salary as Superintendent of the Central Jail, that he was drawing Rs.590/- only when the order placing his services at the disposal of the Baroda Durbar was issued on 31st October 1914 and that subsequently on the 24th idem, orders were issued directing that his appointment be regarded as sub-pro-tem from 1st July 1914. Mr. Palpu does not seem to have suffered in any way by the omission, if any, to communicate the latter order, as he says in para 9 of the representation that on the strength of the last pay certificate furnished to him by the District Treasury, Bangalore, he was offered Rs.900/- by the Baroda Durbar

(Through the Inspector-General of Prisons in Mysore.)

Sir,

With reference to your No. Fl. 3353 G. F. 56-15 dated the 13th January 1916, I beg to state that, in due deference to the Government order conveyed therein, I have furnished a fresh medical certificate of health and paid a sum of Rs. 5-7-0, and got my policies under the State Life Insurance, revived.

2. It will, however, be obvious from my representation to Government dated the 13th September 1915, that the above trouble and loss to me, as well as the other greater ones explained in the representation, were the natural consequences of the way in which my services were lent to the Baroda State, and not due to any fault or neglect on my part.

3. A reference to the Baroda Government will nevertheless shew that, during the period of my duty there, I have carried out the special work for which my services were required to the satisfaction of that Government, and that I have besides

besides, done certain other items of work of a special nature, which were also greatly appreciated.

4. It would thus be seen reasonable that the inconvenience and loss I have become subjected to, in different ways, on account of the loan of my services to Baroda, should somehow to be compensated for.

5. The items in connection with my life insurance are, no doubt small, and, as Government have already passed an order in the matter, it does not seem advisable to approach them again on the subject. But, the other items of inconvenience and loss explained in my representation are far more serious, and they do not seem to have been considered when the above order was passed.

6. I therefore beg you will be good enough to draw the attention of Government to the above items, so that they may be pleased to see their way, either to afford redress themselves or to refer the facts to Baroda for necessary action.

7. Trusting you will oblige and excuse the trouble.

I beg to remain,

Sir,

Your most obedient servant,

Superintendent, Central Jail,

Bangalore.
